

WAABER BATTLES

Instructions

An interactive competition that the audience controls who wins

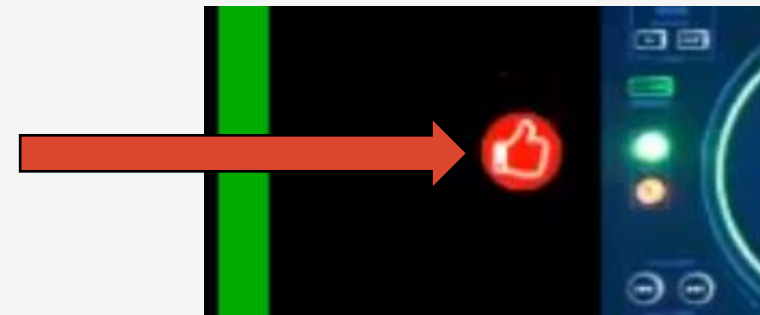

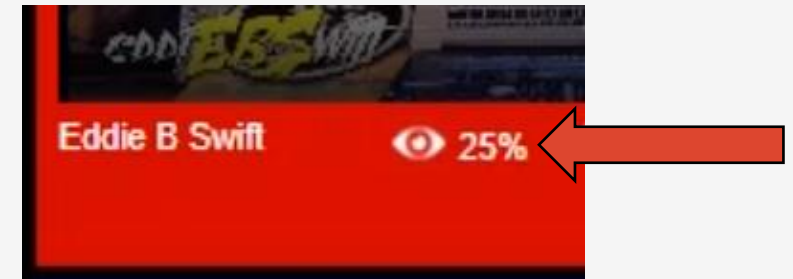

Switching between Stages

To select the DJ to listen to tap on the color stage. That DJ will show up on the main stage so you'll be able to watch and listen to them.

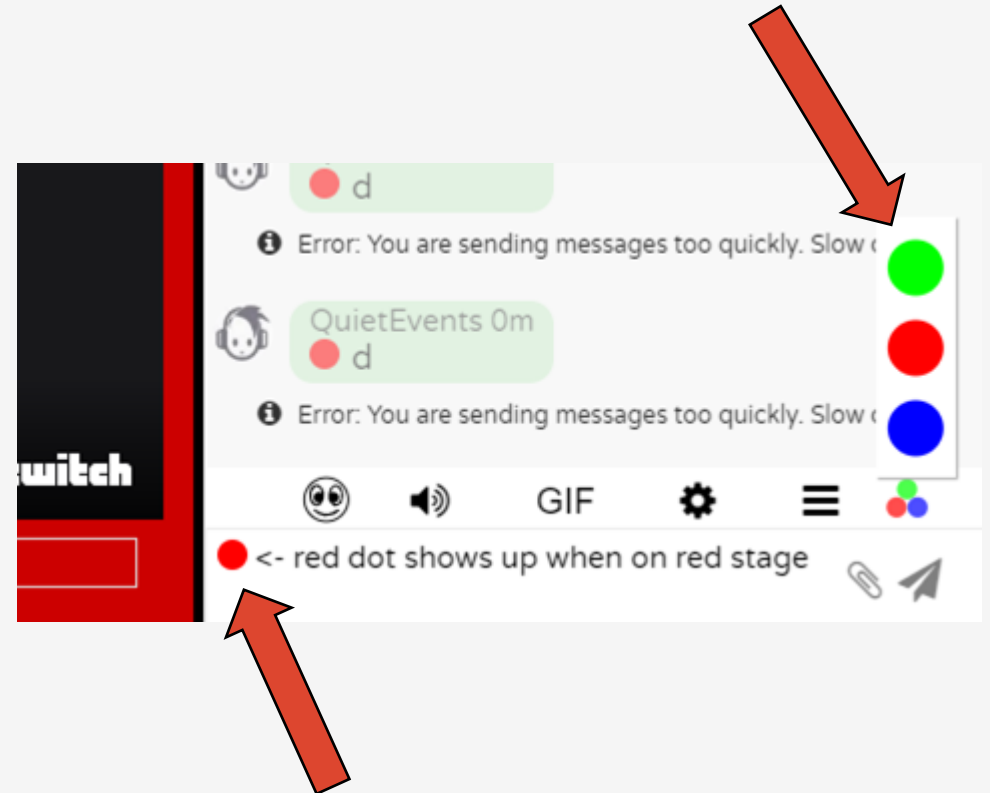

Features

- 1 Audience Switching:** When one audience member switches to a new DJ, everyone sees a color icon indicating that change.
- 2 The popular stage:** Each stage has an information bar that shows the percentage of viewers, so the audience knows if they are watching the popular stage or not.
- 3 Voting:** Each DJ has a "like" counter that the audience taps to increase the count. This also shows an icon on the screen

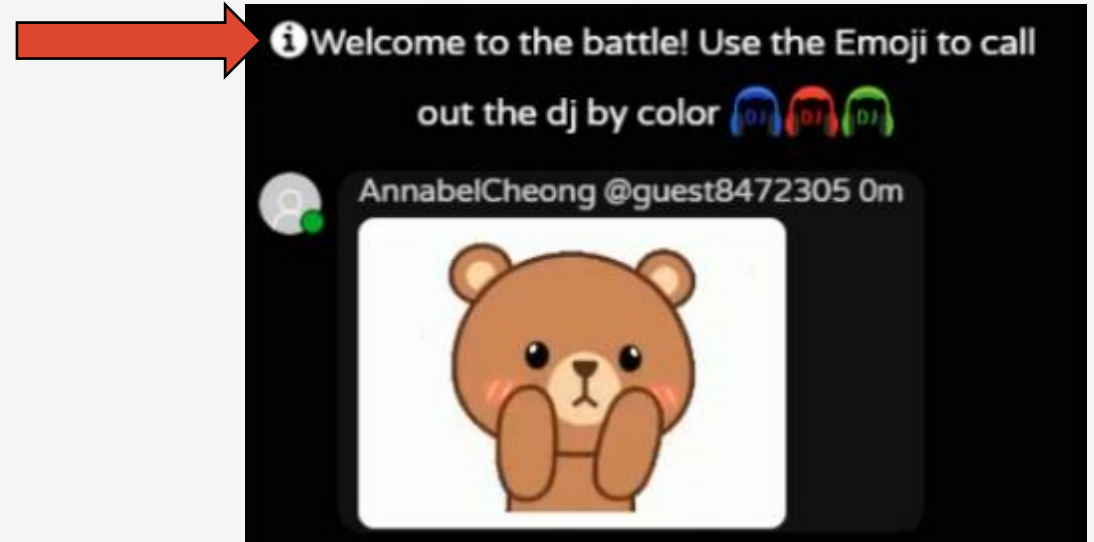

Chatting with audience and DJs

- 1 Chat dots:** When an audience member uses the chat feature, the color dot changes to the stage they are in. This allows everyone to know who the audience member is talking about.
- 2 Color Filter:** Sort to see all the comments that are directed to a specific performer.

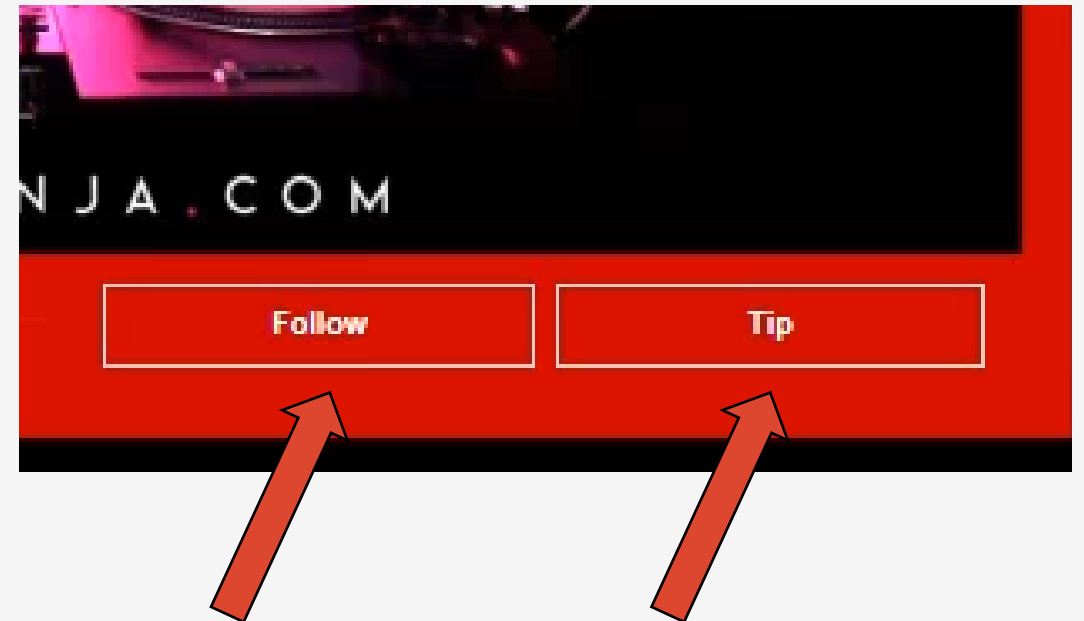

Chatting

- 1 Chat with others using custom, blue and green headphone emojis to call the DJs.
- 2 Animated Gifs make watching the chat fun and interesting.
- 3 Ask the DJs for a shout out or to play a song you want to hear
- 4 Chat MC keeps the chats safe and entertaining.

Showing love to the DJs

- 1 Follow your favorite DJ on Instagram, Facebook
- 2 Tipping your DJ is easy, it goes directly to their Paypal or Venmo account.

The Winners

- 1 Most liked: This is the DJ that gets the most likes during the set
- 2 Most viewed: By tracking how long each participant is watching each DJ the DJ with the highest average watch time.

The screenshot displays the 'Event Ended - Winners' screen. It is divided into two main sections: 'Most Liked' and 'Most Viewed'. Each section features a profile picture of the winning DJ, their name, and their score. Below each section are three buttons for tipping the top three performers. At the bottom of the screen is a button for 'Next Event / Back To List'.
